

PPP Regional Development Group IDB | ALIDE

5th Annual Meeting – July 20th, 2023

Working Tables to Plan the Group's Work Agenda

2:30 pm Coffee and Registration

3:00 pm Session Opening: This session aims to kickstart the event with impactful opening remarks by the IDB, leader of the PPP Regional Development Group IDB | ALIDE. Their primary objective is to warmly welcome Public Development Banks (PDBs) and provide a concise overview of the significant achievements accomplished since the group's inception in 2019.

- Susana Cordeiro Guerra, Manager of Institutions for Development, IDB
- Anderson Caputo Silva, Division Chief, Connectivity, Markets and Finance, IDB
- Romy Calderon, Head, Program of Economic Studies and Information, ALIDE
- Juan Martinez Alvarez, Financial Markets Specialist, and Coordinator of the PPP Regional Development Group IDB | ALIDE

3:15 pm Presentation of Group Activities 2022-2023 and Common Finance Summit (FiCS):

Activities of the PPPs Group during 2022-2023: Description of the activities of the group 5 years after its formation and upcoming activities.

The IDB will present to the group how CIFs are being prepared, the main objectives of the summit, and how the Group can participate and add value.

- Juan Martinez Alvarez, Senior Specialist, Connectivity, Markets and Finance, IDB

3:30 pm **Presentation – New Concept of National Infrastructure Platforms:**
National Infrastructure Platforms (NIPs) are tools that attract private investment in sustainable infrastructure by simplifying government decision-making and resource management through project preparation, risk mitigation and financial structuring. This presentation will explain the NIPs and how BPDs could play an enabling role in implementing them.

Presented by: Adrian Ortega, Connectivity, Markets and Finance, IDB

- Questions and answers

3:45 pm **Presentation of experiences of Public-Private participation of the BPD:** The generation and exchange of knowledge, best practices, and its dissemination in the region on the role of the BPD in the development of financial strategies for the structuring and financing of PPPs is one of the objectives of the Group of APPs. This section presents some of the most relevant experiences in the region.

- Presentation by Bancomext, Mexico
- Presentation by BICE, Argentina
- Presentation by CORFO, Chile
- Presentation by FDN, Colombia
- Presentation by Caixa, Brazil

Questions and answers

Session led by Enrique Nieto, Connectivity, Markets, and Finance, IDB.

5:00 pm **Working Group/Round table.** Actions to improve and strengthen the collaboration of Multilateral Development Banks and BPD to mobilize private financing and sustainable infrastructure through public-private participation. Participants will break into groups to discuss this topic. At the end of the session, the group house spokespersons will summarize the main conclusions for the rest of the audience.

6:15 pm **Closing remarks**

- Anderson Caputo Silva, Division Chief, Connectivity, Markets and Finance, IDB
- Romy Calderon, Head, Program of Economic Studies and Information, ALIDE
